

# DCNM-HDMIC DCN multimedia High Directive Microphone

www.boschsecurity.com

**BOSCH**

Invented for life

- ▶ Discrete microphone for user convenience
- ▶ High directive response
- ▶ Low susceptible for mobile phones
- ▶ Ultra low noise
- ▶ Freedom of movement

The innovative, stylish and ergonomically designed high directive microphone gives the user the possibility to view the meeting room without obstructions. The high directive microphone contains two precisely positioned capsules giving it a high directive response which makes it possible to have a larger speaking distance than normal even in noisy conditions. The microphone has low noise and low susceptibility to interference from mobile phones.

## Functions

### Controls and Indicators

- Red or green illuminator. Red indicates microphone active, green indicates request for speech accepted.

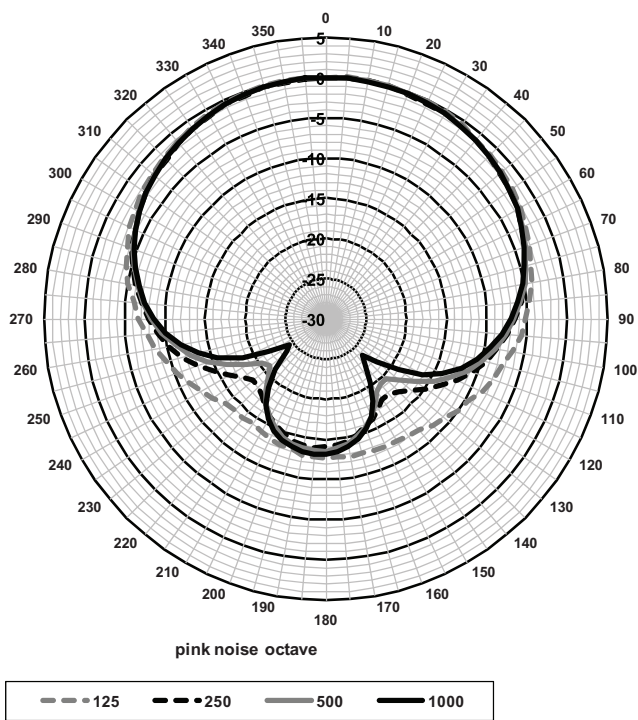

### Interconnections

- Connector to plug and fasten the microphone.

## Installation/configuration notes

Frequency response
